

ICEE2019 AMSTERDAM NEWSLETTER 6 – April 2019

In this newsletter you will find information about:

- Submitted abstracts
- The welcome reception
- Dream teams
- Registration
- Hotels
- New sponsors

Submitted abstracts

243 abstracts were submitted for the conference! The abstracts are currently in review by the program committee. Early May we expect to communicate the decision. 143 submissions asked for an oral presentation and 106 for poster presentation.

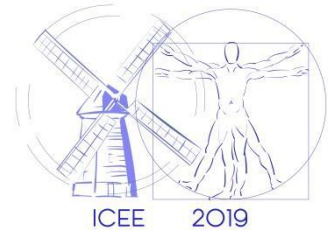

The indicated topics are:

topic	#
heat	130
comfort	55
cold	54
clothing	54
sports	50
sweat	48
modeling	34
military	19
hypo/hyperoxia	18
standards	17
thermogenesis	17
sleep	4
drowning	3

The countries of the authors are:

Country	#	Country	#
United Kingdom	139	Finland	8
Japan	70	Czechia	7
United States	70	Italy	7
Canada	57	Switzerland	7
Australia	49	Norway	6
Greece	34	Denmark	5
Netherlands	33	Singapore	5
South Korea	26	Portugal	4
Germany	20	Estonia	3
New Zealand	15	Thailand	3
France	12	Brazil	1
China	11	Croatia	1
Sweden	11	Malaysia	1
Slovenia	10	Poland	1
Belgium	9	Slovakia	1
Taiwan	9		

United Kingdom is leading the list!

Welcome reception

The welcome reception will be held on Sunday July 7 in the Medical Faculty of the Vrije Universiteit Amsterdam. The interactive map of the campus can be found at:

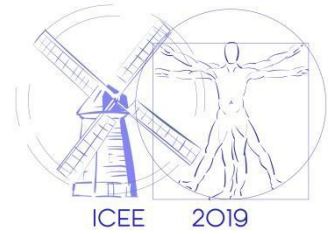

<https://www.vu.nl/en/about-vu-amsterdam/contact-info-and-route/route-description/map-vu-campus/index.aspx>.

It is a 15 minute walk from railway station Amsterdam-Zuid.

At the fourth floor you can visit the Human Performance Lab (HPL) with the brand new climatic chamber (also hypoxic to 10%). You can experience the hot and humid Tokyo 2020 Olympic climate.

Drinks and snacks are offered by the students of the VIB (Human Movement Students Society) (<http://vereniginginbeweging.com/> in Dutch).

Dream teams

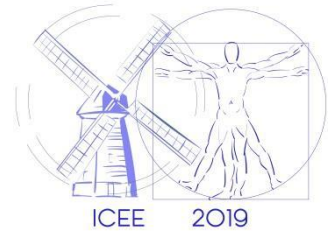

During the welcome reception you can meet the students participating in the dream teams of the Vrije Universiteit Amsterdam. There are three dream teams:

- The Human Power Team (www.hptdelft.nl). They aim to break the record of the fastest female biker on earth (121.8 km/h).

- WASUB (www.wasub.nl). They aim to make the fastest human powered submarine.

- Pulse-Racing (www.pulse-racing.nl). They aim to assist spinal cord injured patients in their recovery using functional electrostimulation and participate in the Cybathlon race in Zurich (<http://www.cybathlon.ethz.ch/disciplines/fes-race.html>).

The dream teams will share their dreams with you and show you their equipment and challenges.

Registration

Please visit www.icee2019.com to register for the meeting. The conference fee is:

600 Euro for seniors,

300 Euro for students,

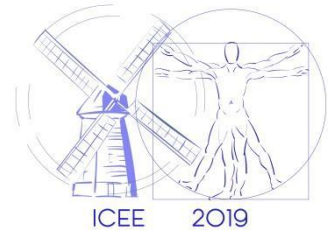

200 Euro for a single day,

250 Euro for accompanying persons (includes coffee, lunches, conference dinner and boat tour).

Please register before June 1st.

Student definition:

You must have completed your terminal degree (e.g., PhD, MD, etc) within a 5 year period prior to the abstract deadline or are currently registered as an undergraduate/graduate student. A document of eligibility will be needed, to be uploaded during registration. A copy of your student ID or a letter of recommendation, provided by your professor, or head of department.

The fee includes:

- Welcome reception
- Access to the conference and poster sessions
- Coffee, tea and special cookies (<https://koeckebackers.nl/>) prior to the daily conference start
- Coffee, tea and apple cake, chocolate truffle cake, white chocolate cake or lemon cheese cake during the morning breaks
- Lunch, with homemade soup, orange juice and other juices, biological milk, a mix of several sandwiches, wraps and bread pudding with meat, cheese, fish, crab salad, smoked salmon, Quinoa salad with grilled vegetables, salad of tomato and mozzarella, quiches of Pom Pie, spinach feta, curry, tai chicken and Guinness beef (we have to find out what this is) and different fruits (apple, banana, pears and mandarin)
- Drinks with Kummel-cheese cookies, nuts and vinegar and sea salt chips during the afternoon break
- Abstract book will be sent to you via email
- Conference dinner Thursday evening

Payment:

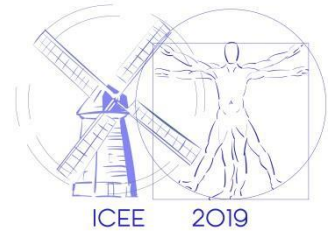

Registration is complete after payment. The payment options are on the website www.icee2019.com. For Dutch attendees the preferred method of payment is iDeal. The transactions costs are low for this type of payment. You will receive a receipt after the payment.

Hotel information

There are still a limited number of rooms available in the Amsterdam Tropen Hotel (www.amsterdamtopenhotel.nl) next to the conference center KIT for 120-130 Euro per night including VAT excluding 5% tourist tax. Please contact Stefan de Graaf (s.de.graaf@vu.nl) for more info and for reservation enquiries. Rooms within this hotel will be available on a first come, first serve base.

Apart from these hotels there are plenty, plenty, plenty of accommodation options in Amsterdam including many excellent AirBnB options. However, Amsterdam is a popular tourist destination in summer, so don't wait too long to make a reservation. Also tickets for Van Gogh museum or Rijksmuseum sell out fast. Please visit <https://www.tickets.com/en/amsterdam-c75061> for reservations.

For sightseeing information please visit <https://www.iamsterdam.com/en>

New sponsors

Nike delivers innovative products, experiences and services to inspire athletes.

Thermetrics manufactures a wide range of precision instruments for measuring and evaluating the thermal comfort of textiles, garments, protective apparel, and dynamic thermal environments such as automobile, truck, and aircraft interiors. The biophysical instrumentation systems - including Thermal, Sweating, and Flame Test Manikins (Mannequins), Dry and Sweating Guarded Hotplates, and Flame/Radiant Test Devices - support all current industry test standards for thermal insulation, moisture permeability, and burn injury prediction.
